MEMORANDUM FOR: Colonel White

SUBJECT : Survey Procedure [REDACTED]

25X1A

1. Logistics advises that the headquarters regulation re "Boards of Survey" is scheduled to go to [REDACTED] on or about 16 November 1953. This regulation will authorize [REDACTED] installations to take final action on Reports of Survey not in excess of \$100.00. This matter has been discussed with Colonel [REDACTED] and he advised the \$100.00 amount will solve his problems and if the regulation is in being before the end of 1953, a special interim authorization extending the survey authorization contained in [REDACTED] to him will be unnecessary.

2. In view of this, it is recommended that no action be taken at this time on [REDACTED] memorandum, Tab A, and that this matter be placed in a pending file to come up on 15 December 1953 if the regulation has not been published by that date.
